Dear Parent/Carer

### Preparing for Year 11

In order to support your child's progress and achievement this year, we have arranged a **Preparing for Year 11 Evening** for parents and students to attend **virtually on Thursday 16<sup>th</sup> September, 6:15-7pm (links to be sent out later this week)**. During this evening you will be given an overview of the year which includes key dates, revision tips for you and your child, exam information and the opportunity to virtually meet your child's Head of House and Tutor.

This will be a great opportunity to ensure that your child's final year with us starts positively and that we all know how to support them to achieve their absolute best and get the GCSE results that they deserve.

We look forward to meeting with you, however if for any reason you are unable to log on and attend, please let your child's tutor know so that we can re-schedule a shorter appointment for you, which will cover the information above.

Yours sincerely

Annika Ghose  
Assistant Headteacher
