

Trafalgar Newsletter

10th September 2021

Welcome back to all our students and an even bigger welcome to our new Year 7's! They all look fantastic in their Trafalgar uniform - full guidance on what students should wear can be found [here](#).

After a tumultuous 2 years, we are now at the start of a brand new academic year and with it comes lots of hope and potential for the future.

Our community responded so well to the testing and delayed start, so thank you to you all. Now we are all back in, there is a real sense of excitement and a fresh beginning as the year gets going. Online learning was a huge success! Well done to all year groups. If you haven't yet arranged your child's chromebook please contact lclark@trafalgarschool.org.uk to request a copy of the chromebook scheme leaflet.

If you have any questions or concerns as the year begins, please don't hesitate to get in touch with us, contacting your child's form tutor in the first instance.

Parking and drop-off

With so many vehicles currently on site, we ask that you refrain from picking up students by car directly from the school site. With the combination of our largest ever cohort and an increased number of parents driving into school (to avoid students travelling on public transport), this has meant that the area immediately outside the school has become increasingly congested at the start and end of the day.

If you feel that there is a specific reason why you must pick your child up from the site itself, please do contact the school and we can look at this on an individual basis.

Many thanks for your understanding.

Pre-loved Uniform

Here at Trafalgar we run a pre-loved uniform scheme and we are after donations of uniform, especially blazers that no longer fit, so we can distribute them to our current/new students and help support with uniform needs.

If you are able to help then please drop uniform that no longer fits to our student entrance.
