Dear Candidate

TRAFALGAR SCHOOL: BUSINESS STUDIES SUBJECT LEADER WITH MATHS

Thank you for your interest in the above post. Please find information about our school on the website www.trafalgarschool.org.uk

As a UNICEF Rights Respecting School, we are a socially responsible and collaborative school committed to the development of every member of its learning community. We are a very inclusive school in which all our students successfully access a broad and balanced curriculum. Since 2017 we have increased our NOR from 380 to nearly 1000 and are oversubscribed in Key Stage 3 with a waiting list in every year group.

This post offers the opportunity to join the school at a very exciting point in its development. Our aim is to provide an all-round educational experience and we are committed to the success and excellence for all our students. In May 2018 we were inspected by OFSTED and judged to be a 'good' school. We are enjoying the next stage of our journey (to become outstanding!) and continue to receive incredible feedback about our child centred approach; most recently Trafalgar School is leading relational practice within education across Portsmouth.

We would like to appoint a committed, energetic and enthusiastic Business Studies Subject Leader with the ability to teach KS3 Maths who will join the department at an exciting stage in its development. Business Studies is a popular and successful KS4 option subject with the potential to grow further.

It is expected that the successful candidate will have the drive to inspire students to achieve the best possible results and be good communicators, able to interact effectively with a wide and diverse group of people. Applicants should demonstrate a well thought out philosophy of education which reflects the needs of all learners and to play a full part in the life of the school community, to support its distinctive mission and ethos and to encourage and ensure staff and students follow this example.

Most importantly, as far as personal characteristics are concerned, we would like to find someone with warmth, enthusiasm, flexibility, and a generosity of spirit. Last, but by no means least, a sense of humour is essential!

Candidates should return the completed application form with a letter of application by Friday 17th February 2023 (noon)

Please include in your letter: -

1. What attracts you to this post.
2. Previous experience and skills that will help you to undertake this role.

Yours sincerely

Claire Copeland
