Timetabling:

Instrument lessons take place once a week. Lesson times will move throughout the day each week to make sure pupils do not miss the same lesson every week. Timetables are clearly visible in our music department where pupils can check their instrument lessons to make sure they do not miss a lesson as times will change weekly. Pupils are responsible for checking when their lessons are each week and attending lessons on time.

Payment:

Invoices will come directly from our instrumental teachers to parents/carers at the beginning of each month. Invoices will be for that month, with any INSET days/bank holidays etc taken into consideration.

Pupil Premium:

Funding is available for Year 10 & 11 to have 20-minute group lessons funded by the school. If your child qualifies as pupil premium – funding is available. Please select the '20-minute group lesson' when choosing lesson type. Pupil premium status will be checked and confirmed before lessons start in September.
