28<sup>th</sup> June 2024

THAT'S A WRAP! Activities Week 2024 is coming to an end. Students are returning from residentials, and all our trips have been a huge success!

Students have had the chance to take part in a wide range of activities this week and have created some lasting memories in the process. Student enrichment is a vital part of our curriculum, and that's why we believe so strongly in our Activities Week here at Trafalgar. We're sure you've been following all the updates on our social media accounts, but inside this edition is a snapshot of all the fantastic things our students have been up to this week.

Next week, all our Year 10 students are attending their second college taster day at the City of Portsmouth College. More information about this has been shared with Year 10 parents today via Class Charts.

Take care, stay safe, ensure your children get plenty of sleep, and we'll see you all on Monday for the start of our push to the end of term!
